DEDICATION

Bismillahirrahmanirrahim.

First of all, Alhamdulillah Rabbil' Alamin, thanks be to the presence of Allah SWT for all His mercy and guidance, and may peace and blessings be upon the last prophet, Prophet Muhammad SAW, who has changed human life from a dark realm to a brightly lit realm. Therefore, the author as the author would like to express his deepest gratitude to all parties who have helped and supported the author to be able to complete this thesis. The following are several parties who have helped the author a lot in completing this thesis:

- ❖ To my beloved parents, Mr. Agusman who always works hard to ensure that I can get the best education and Mrs. Komariah (Alm) who even though we live in different universes but I am sure you still support me from above, and my lovely brother Yudhi Hartadi, and my strongest sister Gina Andani who never stop giving advice, suggestions, and encouragement, so that I can complete this final assignment. And their prayers as the greatest strength in this world that made it easy for me to complete this thesis. Thank you very much for your endless love and support, thank you for the unconditional love given to me until the last second of this thesis journey. Hopefully this thesis and degree can give a little pride to our little family.
- ❖ To Mrs. Nora and her husband, Mr. Yayan. I just want to say thank you for helping to finance my studies so that I can experience education at this university, the help from both of you also helped me to this stage so that there is no reason for me not to immortalize your names as thanks in my thesis, may Allah repay your kindness
- ❖ To my one and only fellow thesis fighter, Dyah Ernawati. Thank you for being my fellow fighter who always supports, helps, believes and always sees me from various sides. Thank you for being a part of my journey to get this degree, I don't know if I could have finished this if you weren't by my side. You are not just a classmate but have become a sister to me. May our friendship last forever in this world and heaven
- ❖ To my childhood friends, Sri Rahayu & Silvianti. Thank you for the continuous support, the prayers that continue to walk by my side. My journey becomes more colorful when I am with you, may Allah always protect you wherever you are.
- ❖ To my daily friends Vivi, Rida, Defa, Putri. I also thank you for always encouraging me when I feel tired, who always care and support me so that I can graduate soon. I hope our friendship will continue.

- ❖ For my academic advisor, Mr. Zulfikri Betyar Rasuan M, Pd, thank you for all the knowledge you had given to me. Thankyou for supporting me in my academic.
- ❖ For my thesis advisors, Indrawati, M, Pd, Dina Novrieta, M, Pd and Firdaus, M.Pd.B.I. without ma'am and mr guiding me i would never have gotten this degree. May god repay your kindness and always be given protection. I will forever be grateful for that.
- ❖ To all teachers, staff and students at SMPN 1 Bakam, thank you very much for allowing me to conduct research there and supporting me in completing this thesis.
- ❖ To all TBI B 2018 Classmate especially Indri Yani Dewantari. Thank you for being a supportive classmate. 4 years with you guys were one of the best 4 years of my life.
- ❖ Lastly, I would like to thank myself, for believing in me and doing what they said I could not do. And I want to thank me or choosing to walk until the final phase of this study. I appreciate every small achievement that I get and for the failures that I have gone through I will make it a learning experience for myself.

Abstract

This study aims to determine the influence of Reward Giving on Student Learning Motivation in Learning English in Class VII of SMPN 1 Bakam. This study also wants to determine the relationship between reward giving and student learning motivation in learning English. This study uses a quantitative approach with a focus on correlational research. The researcher used a total sampling technique with a population of 2 classes with a total of 48 student respondents from class A and B as samples. The results of this study were analyzed using the SPSS version 26 program with a simple linear regression analysis method. The results showed that the variable of reward giving on student motivation in learning English at SMPN 1 Bakam was very high (21%) which was in the interval 64-67 with 10 rewards, high category (35%) which was in the interval 56-63 with 17 rewards, low category (27%) which was in the interval 48-55 with 13 responses and a rather low category (17) which was in the interval 39-47 with 8 responses.. In conclusion, giving rewards has a significant influence on learning motivation of SMPN 1 Bakam students.
